## <u>APPENDIX – I</u> <u>POST GRADUATE COURSES (P.G. MERIT)</u>

| Master of Arts (M.A.)<br>Subject (Honours) | Master of Science (M.Sc.)<br>Subject (Honours) | Master of Commerce<br>(M.Com.)<br>Subject (Honours) |   |
|--|--|---|---|
| Ancient History & Archaeology              | Botany   | Commerce  | • |
| Economics                                  | Chemistry                                      |   |   |
| English                                    | Economics                                      |   |   |
| Geography                                  | Geography                                      |   | _ |
| Hindi                                      | Information Technology                         |   |   |
| History                                    | Mathematics                                    |   |   |
| Home Science                               | Physics  |   |   |
| Linguistic                                 | Statistics                                     |   |   |
| Odia                                       | Zoology  |   |   |
| Philosophy                                 | Applied Mathematics                            |   |   |
| Political Science                          | Applied Physics                                |   |   |
| Population Studies                         | Applied Physics & Ballistics                   |   |   |
| Public Administration                      | Artificial Intelligence &                      |   |   |
|  | Machine Learning                               |   |   |
| Statistics                                 | Biodiversity Natural                           |   |   |
|  | resources                                      |   |   |
| Tourism Administration                     | Earth Science                                  |   |   |
| Urdu                                       | Electronics                                    |   |   |
|  | Forensics Science                              |   |   |
|  | Geography                                      |   |   |
|  | Life Science                                   |   |   |
|  | Material Science                               |   |   |
|  | Science &Technology                            |   |   |
